Classroom News

Welcome to the beginning of the 2023-2024 school year at ABC! We are beyond thrilled to have you all. We are blessed that you have chosen ABC for your child's academic year.

This month we will be focusing on classroom rules, routines, and the structure of our time together. Exploring our classroom and learning areas, as well as how to treat our toys, and new friends is also an area we will be focusing on. Our themes will be Welcome to School, All About Me, Family, and Community Helpers.

Please be sure to check Procare daily for updates, messages, and pictures of all the fun we are having! Communication is vital to your child's successful year, please do not hesitate to reach out for any reason.

Do not Forget.... To check your child's take home folder each day. Keep what remains at home and if there is anything to return or sign and return, please do so.

Please remember that we are a tree nut and peanut free facility. Our snack time will be from 10:25-10:35 daily. Please ensure that your child has a healthy breakfast to start their day!!
