## *About Me:*

Hello everyone! My name is Kristin Salerno and I will be leading your children in music this year! I'm so excited for this new role and look forward to getting to know your little ones. All 3 of my kids went through ABC preschool and I've been in assistant and sub roles for the past few years. My kids are in 1st and 6th grades this year in Sycamore. In my spare time you can usually find me at a baseball field watching my oldest play or running my girls to their different activities!

If you ever have any questions for me, please don't hesitate to reach out to my email below. I look forward to a fun & exciting year!
