Music Highlights

WOW! September absolutely flew by! I've enjoyed getting to know all of my new friends in music! In September we focused on getting the kids familiar and comfortable with the new music room. We've introduced a couple musical terms and done different activities that help those terms begin to stick. I'm beginning to learn so much about your children and am discovering some of our favorite songs and activities.

As always, if you ever have any questions for me, please don't hesitate to reach out to my email below.
