Classroom News

We are getting into the groove as a class, and the kiddos are continuing to work hard learning and practicing the rules of the classroom, and how to be a friend. We have a lot of important dates coming up, so please keep this newsletter handy!

This month we will continue to focus on classroom rules, routines, and the structure of our time together. We are officially kicking off fall with our weekly themes including Apples, Leaves, Pumpkins and Halloween. More information regarding our Halloween party and parade will be coming out soon via Procare.

Procare along with the school folders are the main forms of communication for our class, so please be sure to check them daily. Communication is vital to your child's successful year, please do not hesitate to reach out for any reason.

Do not Forget.... To check your child's take home folder each day. Keep what remains at home and if there is anything to return or sign and return, please do so.

Please remember that we are a tree nut and peanut free facility. Our snack time will be from 10:25-10:35 daily. Please ensure that your child has a healthy breakfast to start their day!!
