NOVEMBER

CLASSROOM NEWS

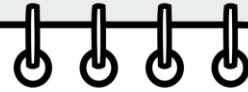

It's November! Is your Christmas tree up yet? For weeks, stores all over have had their Christmas displays up so I guess that makes it ok?!

We have 35 weeks of school and somehow, we are already through our first quarter. I'm not sure about you, but time flies when you are having fun!

This month will be a bit of a mixed bag for us as we will be talking about "Zoo", "Grocery", "Thanksgiving" and "Gingerbread". These themes allow us to introduce various aspects of fine motor, gross motor, spatial awareness, vocabulary development and recognition.

REMINDERS

Be sure to check your child's folder both at drop-off and pickup as there is often pertinent information placed in them along with various art projects we have worked on.
