## October

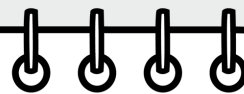

### CLASSROOM NEWS

This month we will be focusing on Farm, Pumpkin Patch, Fall and Halloween. The objective this month will be to get comfortable in the classroom environment, routine as well as continue to build friendships. Music class has been such an opportunity for the children to truly show their personalities and we are loving it! We have recently implemented the felt boards which is exposing the children to patterning and sequencing. Ask your child about "Little Mouse, Little Mouse are you in the \_\_\_\_ house?". This has encouraged color recognition, memory and descriptive language as well as the "5 Little Ducks" which encourages sequencing, memory

A reminder, there will be no Afternoon Adventures on Thursday October 26<sup>th</sup> and no school Friday October 27<sup>th</sup> or Monday October 30<sup>th</sup>.

### REMINDERS

Be sure to check your child's folder every morning.
