Music Highlights

October brought lots of fun Halloween songs and getting to know everyone even better! The kids are doing great transitioning to and from Music class. Our main focus this past month has been on having fun, moving our bodies and singing songs that bring us joy! On Fridays the kids decide what songs we sing and I love seeing the songs they request and love the most! If you ever want to know what songs we're currently working on please don't hesitate to reach out.

As always, if you ever have any questions for me, please don't hesitate to reach out to my email below.

November Focus:

Our focus in November will be on songs relating to Thanksgiving and other themes that each class has during the month. We will also begin working on some Christmas songs (gasp!) towards the middle of the month.
