12/7 – Christmas concert

12/11 – magic Monday

12/20 – Chapel

12/22 – Christmas party

12/25-1/5 – no school

### Classroom News

November was a month full of fall fun! From leaves and scarecrows to farms and Thanksgiving. Now we are ready for some Christmas fun beginning with gingerbread. A gingerbread man arrived in our classroom with some fun books for us to read. We will have so much fun comparing the different gingerbread stories! We will also be using our 5 senses at the science table to explore a variety of Christmas items and then use all of our senses when we have a gingerbread cookie taste test.

In December we will continue our gingerbread theme, then follow that with more Christmas fun.

The letters we will focus on will be Ss, and Jj.

In December we will also learn about the color green, and the shapes oval and triangle.

We will be having some special dress days later in the month. Watch for more information about those fun days ahead!

### Hooray for Birthdays!

12/12 - Braxton

We will be going outside (weather permitting) each day. Thank you for helping your child practice putting on their cold weather gear. I can tell they've been practicing, and it makes a big difference!
