A very big THANK YOU to all of you who have helped keep our playdough well stocked. The children really do like playing with it.

Classroom News

Here we are at winter break already. These last three weeks have been very full and busy. The children are really excited for Christmas, and I think all of them can tell you about the first Christmas and who's birthday it really is.

When we return on January 8th, we will have our Snowman and Winter fun theme. I need your help decorating the room so I have sent home a mitten project that I would like one other family member to do with your child. The full instructions are attached to the mittens.

The week of January 16th will be Teddy Bear week here at ABC. We are out of school that Monday for Martin Luther King Day, so, Tuesday will be the day that I would like each child to bring a teddy bear or other stuffed friend with them to school. It should not be a can't live without friend because we ask that the friend stay at school for a sleepover. More details will follow after the break.

Ms Vicki

I pray that you all stay healthy and have a Very Merry Christmas and a Happy New Year. I look forward to seeing everyone back in 2024.
