Classroom News

I hope you all had a wonderful Christmas and a restful break! We are excited to welcome everyone back to have some winter fun!

Our themes in January will be winter animals (with a focus on penguins and bears) and winter (snow, snowmen...).

The letters we will focus on will be Pp, Bb, Dd, and Rr.

In January we will also learn about the numbers 4 and 5, and the colors brown and pink.

Teddy bear week will be the week of January 16-19. We will learn about bears and enjoy some books with bears as characters. In addition to this your child is invited to bring a bear (or other stuffed animal) to school on January 17. We will do activities with the fluffy friends and at the end of the day our stuffed animals will stay at school for a sleepover and be waiting for us when we return to school on January 19. Please make sure the stuffed animal your child brings to school is one that they will be okay with leaving at school. This is not the time to bring the favorite that they need in order to go to sleep!

Now that the weather is colder, we will be inside most days, but please still send a coat, hat, and mittens, as we will still go out when the temperature is above freezing. If we get a day with nice temperatures and have snow on the ground, we will try to get outside to play in the snow. You will be notified so you will know to send in boots and snow pants for that day.
