Classroom News

I am not sure how I am writing a newsletter for February already, but here we are. We are just having the best time in class, and your children are continuing to show up each day to work hard and to be friends to all their classmates.

Parent-teacher conferences will be held on Friday, February 23rd. This is an optional conference, but it is recommended. A sign-up genius will be emailed out shortly for your convenience. Please note there is no school this day, and no childcare will be provided.

Our themes we will be focusing on this month will be Dinosaurs, Love, Valentine's Day, and Camping. Letters that are being highlighted besides the whole alphabet are Kk, Aa, Mm, and Nn. The cards that were given out in November are a great tool to reiterate at home what they are learning daily at school.

Procare along with the school folders are the main forms of communication for our class, so please be sure to check them daily. Communication is vital to your child's successful year, please do not hesitate to reach out for any reason.

Do not Forget.... To check your child's take home folder each day. Keep what remains at home and if there is anything to return or sign and return, please do so.

Please remember that we are a tree nut and peanut free facility. Our snack time will be from 10:25-10:35 daily. Please ensure that your child has a healthy breakfast to start their day!!
