2/14 – Valentines day

2/16 – no school

2/19 – no school

2/21 – Chapel

2/23 – conferences, no school

2/26 – Magic Monday

### Classroom News

In February we will finish our snow theme, then move on to fairy tales and end the month with Dr. Seuss.

The letters we will focus on will be Kk, Aa, and Mm.

In February we will also learn about the number 7, hearts, and the colors pink and purple.

February 14 will be our Valentine's Day party. We will decorate bags for our valentines and do some fun valentine activities. Please have your child bring in a valentine for each child in our class. These can be hand made or store bought, it is up to you. We have 11 students and 2 teachers in our class. There is no need to put "to" names on the valentines as it is easier to hand out if they don't have to match up the names. Please do help your child sign their name to each valentine. This is an excellent opportunity for them to practice writing their name from left to right, beginning with a capital followed by lowercase letters. It can be a good idea to spread this out over a few days rather than trying to do all of them at once.

February 23 will be our class's conference day, there will be no school on that day. Conferences will be 10-minute time slots and I will offer the choice of doing them in person or over Zoom. Watch for more information about signing up for a time.

### Hooray for Birthdays!

2/4 - Kylie

Now that the weather is colder, we will be inside most days, but please still send a coat, hat, and mittens, as we will still go out when the temperature is above freezing. If we get a day with nice temperatures and have snow on the ground, we will try to get outside to play in the snow. You will be notified so you will know to send in boots and snow pants for that day.
