Classroom News

These weeks are really starting to fly by quickly. As the weather gets nicer, we will be taking our learning outside as much as possible. Now would be a great time to check your child's extra clothes in their backpack to ensure the sizes are still correct, and it is appropriate for the warmer weather.

Our themes we will be focusing on this month will be Ocean Animals, Beach Week, Helping at Home, and Earth Week. Letters that are being highlighted besides the whole alphabet are Yy, and Zz. We then will have made it through the whole alphabet! The rest of the year will be used for review.

Pumpkin Jack is being moved to the east side of the building, just down the hallway from our room. He now needs sunlight and fresh air. Don't forget to check him out. He is being a bit more stubborn than our past years.

Procare along with the school folders are the main forms of communication for our class, so please be sure to check them daily. Communication is vital to your child's successful year, please do not hesitate to reach out for any reason.

Do not Forget.... To check your child's take home folder each day. Keep what remains at home and if there is anything to return or sign and return, please do so.

Please remember that we are a tree nut and peanut free facility. Our snack time will be from 10:25-10:35 daily. Please ensure that your child has a healthy breakfast to start their day!!
