## Classroom News

Thank you for taking the time and meeting with us for parent-teacher conferences. The children are all coming to class eager to learn, and we have just had the best time this school year. They all have grown leaps and bounds since September.

Our themes we will be focusing on this month will be Spring/Flowers, Weather, and Easter. Letters that are being highlighted besides the whole alphabet are Vv, Ww, and Xx. The cards that were given out in November are a great tool to reiterate at home what they are learning daily at school. If you need ideas to make it fun, we have plenty to share.

Pumpkin Jack is just about ready for the next phase of our science experiment. We will be opening him up, outside for sure, and adding topsoil to promote regrowth. We are hoping for a few sprouts to be showing up in the next couple of weeks!

Procare along with the school folders are the main forms of communication for our class, so please be sure to check them daily. Communication is vital to your child's successful year, please do not hesitate to reach out for any reason.

**Do not Forget....** To check your child's take home folder each day. Keep what remains at home and if there is anything to return or sign and return, please do so.

Please remember that we are a tree nut and peanut free facility. Our snack time will be from 10:25-10:35 daily. Please ensure that your child has a healthy breakfast to start their day!!
