Classroom News

I am not sure how we are here already, but once again this is our last newsletter for the school year. It has been our absolute pleasure teaching your children and watching them grow. We have had the best time becoming a little family of our own. Thank you for choosing ABC Preschool. Come back and visit anytime!!

Our themes we will be focusing on this month will be Butterflies, Frogs and Ponds, Garden, and Summer Fun!

Our last day of regular class is on 5/22. Graduation will be on 5/23 at 9:30am. I will send out reminders as it gets closer to the day. Graduation will just be our class this year, which will be wonderful since there will be plenty of seating and Kleenex for all.

Procare along with the school folders are the main forms of communication for our class, so please be sure to check them daily. Communication is vital to your child's successful year, please do not hesitate to reach out for any reason.

Do not Forget.... To check your child's take home folder each day. Keep what remains at home and if there is anything to return or sign and return, please do so.

Please remember that we are a tree nut and peanut free facility. Our snack time will be from 10:25-10:35 daily. Please ensure that your child has a healthy breakfast to start their day!!
