Classroom News

We have been having so much fun this past month. Your kiddos are an absolute joy to have in my classroom. We learned about different animals that live on a farm and what you can grow. We have also been working on color recognition and counting to 5. Some things that the kids absolutely love to do in class is sorting in the sensory bin and of course painting.

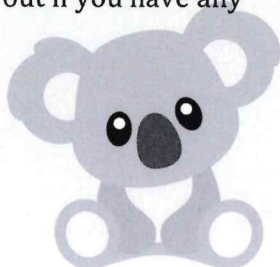

We do have pictures coming up on Nov. 6. If you any concerns beforehand, please reach out and we can discuss some options.

I want to take the time to thank you all for doing just a great job with signing your kiddos in and out each day. I know the new protocol has been an adjustment for us all, but you have been doing a fabulous job remembering to sign in and out on both the sheet and Procure.

With the weather getting colder we will still continue to go outside unless the temperature is below 32' so remember to pack hats and mittens. We also ask that you bring in warmer spare cloths because we don't want to send your kiddo home in shorts after an accident in this chill.

Themes we are focusing on this month are Fall, Families, and Thanksgiving. As always please reach out if you have any questions.

Miss Megan
