Fun Photos!

What we've been up to:

I feel like I will say this every month, but wow! October flew right by!! More than likely because we've been having an absolute blast in our little Pandas class!! And I will say again that we have been blessed with the absolute best kiddos! We have discovered their love for a good dance party, complete with "strobe lights" (aka flicking the lights on and off) it creates quite the vibe!! We just love to see them smiling, laughing, dancing, and all around happy!!!

This month was centered around all things fall, apples, pumpkins, and Halloween. The big hits were the sensory bins with scoopable beans corn, the apple stand, and all the toy tractors!! We cannot wait to start another month with these awesome littles!!
