What we've been up to:

How has September flown by already?! I can say without a doubt that these kiddos are doing absolutely PHENOMENAL!! We have loved every minute with each of them and getting to see their little personalities coming out! We have been having so much fun! The kiddos have taken to the routine with flying colors!! We are learning eachothers names and recognizing pictures of themselves and their classroom friends. They LOVE painting in every way possible - so that will be something we definitely incorporate weekly. Our classroom dance parties have been the biggest hit by far! They love LOVE dancing around the room to favorite songs. Looking forward to October and all the fall fun we will be having. Thank ou for sharing your babies with us. We are head over heals for these kiddos!! - Miss Jayna
