CLASSROOM NEWS

October was a busy month learning all about leaves, pumpkins, Halloween, and other fun fall activities! The class seemed to really enjoy our Fall 'walk.' We went outside to the front of the church and looked for signs of Fall. They also made a sticky leaf bracelet. We also explored the inside of a pumpkin! I'm pretty sure their favorite book this month was *Going on a Pumpkin Hunt*. During free choice time, some of the class decided to use the magnifying glasses to go on their own pumpkin hunt!

The students are practicing their fine motor skills by playing with play-doh, cutting, and using small manipulatives. Practicing these things will set them up for writing success in the future! The themes this month will be- Zoo, Space, and Thanksgiving.

REMINDERS

We will go outside as much as the weather allows. Please be sure your child has a weather appropriate coat, and hat/mittens if needed.

Written assessments will be in your child's folder the week of November 17th.
