Classroom News

I can't believe we are in 2026 already! I hope you all had a relaxing break. We will be starting off the new year by going back over classroom expectations and rules.

Before the break I sent home a Family Project, these will be due back on January 8th.

With many of our kiddos on their potty-training journey I want to remind everyone to bring in Velcro side pull ups when switching. These are easy for us to use with the kids standing up. Also, please let me know what works best for you at home so that we can have a united front in this exciting time.

I want to remind everyone that we will still continue to go outside as much as possible unless the temperature is below 32' so remember to pack hats and mittens.

Themes we are focusing on this month are Disney, Teddy Bear Week, and Community Helpers. As always please reach out if you have any questions.

Miss Megan
