January has been fun with the children here at ABC. I especially enjoyed our Teddy Bear week, and I hope that your children did as well.

Now looking ahead to February. On February 11, we will be having our Valentines Party. I do encourage you to send valentines to school with your child on that day. They will be handing them out to their friends as part of our Valentine's party. Their valentines should be signed by them but do not need to have the names of who they are to.

On February 25, we will have a class dress up day. This is Princess and Superhero week, and I encourage your child to wear a costume, princess dress or T-shirt to represent a princess or superhero that they like.

Conferences will be on February 27th this year. These conferences are for parents only and we do not have school on this day. Lisa will be sending you a link to sign up for your time slot in the near future.

If you have any questions, please feel free to contact me.

Ms. Vicki

Don't Forget to sign your child in and out each day! Once you have done that, check your child's file to pick up any mail that you may have.
