Classroom News

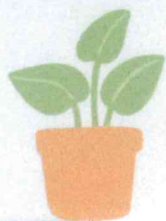

I want to just take a moment to express how proud I am of all your kids and how well they are doing on their potty-training journeys. Each child grows at their own pace, and these kiddos are doing a phenomenal job for where they are on this journey.

For our Valentine's Day Party, if you wish to bring in valentine's you are more than welcome to do so. I will be sending home a class list the Thursday before with the number of kids in the class.

A sign-up genius will be coming via ProCare to sign up for conferences. These are not mandatory but just a better chance for us to sit down and discuss how your kiddos are doing in the class and any concerns that you may have. We are working towards having some childcare available and we will let you know when more information is available.

Themes we are focusing on this month are Winter Olympics, Valentine's Day, Weather, and shapes and colors. As always please reach out if you have any questions.

Miss Megan
