What we've been up to:

Happy 2026!! Hoping everyone had a wonderful holiday time filled with love, memories, and time well spent together. We missed our favorite 2 and 3 year olds, and though it was a welcomed and happy break, we are so excited to be back to our favorite little hype squad! December was spent doing all things Christmas, cookies, and more Christmas! The Christmas sing was nothing short of amazing and adorable all wrapped up into one! This month we will be having some fun Disney weeks and Teddy Bear time! We will continue to grow and develop through play and fun! Can't beat that! We will incorporate some new class songs and circle time activities to keep these little minds going and going. We will be playing a lot in the gym for gross motor time as the weather gets a bit too chilly for happy outside toddlers. They LOVE the gym with the scooters, climber and slide, and kicking the balls everywhere for us to chase! haha! Get a good cardio workout in for the teachers as well! So happy to be back!! We continue to be blessed with the best!
