Classroom News

March is a short month here at ABC Preschool. We only have three weeks, but we do have a lot of fun things coming up.

Our first week we will be learning about and having fun with dinosaurs.

The next week we will be studying ocean animals and that will be followed by our ever-popular beach week. Beach party will be March 18th, this year. There will be more information to follow.

When we come back on March 30, we will only have two days of Easter fun as our Easter Eggstravaganza is on Wednesday, April 1.

I do need some parent helpers for Beach party and Easter Eggstravaganza. If you are interested and able to help at either one of these events, please talk to me about it.

Please be sure that your child has warm clothes to wear. As the weather gets above freezing, we will be going outside more.

Thank you,
Ms. Vicki

Don't Forget to sign your child in and out each day! Once you have done that, check your child's file to pick up any mail that you may have.
