What we've been up to:

We have made it to March! Hoping March brings better weather, less germs, but the same amount of love, smiles, and joy to our Panda class! We celebrated Valetine's Day with all the love possible! But more than that, all the treats! The kiddos continue to LOVE dance parties, free play, art, but more than anything, THEY LOVE SNACK!!! haha!! They have been doing SO SO SO well with sitting for a story in circle time and belting out 'Jesus Loves Me' at the end of the day.

We are LOVING seeing how much they have developed over this year. They are playing well with eachother, sharing as much as a 2/3 year old can, and talking up a storm!! The smiles are endless! There is no shortage of love with this group. I honestly don't know how I'm going to let them go at the end of the year. But won't focus on that just now! We still have LOTS of time together. As always, we are blessed with the best!!
