## MONTH

### CLASSROOM NEWS

Now that we are heading into March, I hope to get outside as much as possible. Please be sure to send your child with a weather appropriate coat and hat/mittens if needed.

This month we will be exploring Dr. Seuss, Rainbows/St. Patrick's Day, and the Ocean. We will focus on rhyming words, color mixing, and dreaming of beach weather!

As a class, we will continue to build independent conflict resolution.

### REMINDERS

Be sure to check your child's folder daily for art projects and other information.

Please check your child's backpack for an extra set of weather appropriate clothes in case of an accident or spill.
