### *What we've been up to:*

Okay, I am putting my foot down that now these months need to slow down. I don't know what I'm going to do with out my doses of these amazing kiddos on a weekly basis!! I say it every newsletter, but they are all simply the absolute best. This month we played with different transportation vehicles and even painted with monster trucks! We had such a fun beach party as well and the kids all found a way to get soaked in the water tables! They loved it! The favorite of this entire class continues to be snack time! They are the absolute best eaters, as long as we have something good and it includes juice!! Coming up in April we will have our Easter fun which will include coloring eggs as well as an Easter egg hunt outside! This is always a HUUUGE favorite and so much fun to watch them gather up all thier eggs in their bags. Sometimes our littles also enjoy grabbing a pincone, rock, fancy blade of grass, or whatever they view as the ulitmate prize! As always, we are blessed with the very best! Stay tuned for more info regarding our Panda Open House coming up soon!
