April

## CLASSROOM NEWS

April is here and so is Spring! I hope we will be able to enjoy plenty of fresh air the last two months of school.

Last month we really enjoyed discovering how to make new colors.

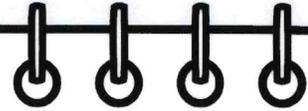

April will start off with our Easter Eggstravaganza! We will have an egg hunt and enjoy fun Easter activities. Then we will talk about flowers, ponds, and bugs. We will explore what plants need to grow, the butterfly life-cycle, and much more!

We will also continue to practice independence, following directions, and taking turns.

## REMINDERS

Please check your child's folder daily for art projects and important information.

We will be going outside as much as possible so please send your child with an appropriate jacket.
