Classroom News

It is bittersweet to be writing our last newsletter of the year. The time has flown by. It has been a great privilege to have been apart of your kiddos lives and to get to know all of you. Your kiddos have grown up in so many ways and I look forward to seeing them continue to grow next year with Miss Amy.

Some parents have asked activities to do over the summer with your kiddos and I am more then happy to put together a list for you local activities. Please look out for list toward the last week of school.

To end the year, we will be having a little "ice cream social" on the last day of school, which is Thursday, May 21st. We will be having ice pops for a snack.

Themes we are focusing on this month are Flowers and Gardening, Space, and Ice Cream. As always please reach out if you have any questions.

Miss Megan
