Classroom News

I Can't believe it is already May! We have had an amazing year! I have loved watching your children learn and grow over these past 8 months. We are sad to say goodbye to Miss Kendall! We wish her well on her next adventure. Miss Cassie will be with us in her place for the rest of the year.

The guest reader program has been so much fun! If your child hasn't had a friend or family member come in to our Classroom to read yet, we'd love to get something scheduled.

In May our themes will be camping, bugs, and summer fun.

We have made our way through the alphabet and will spend the month of May reviewing all the letters.

In May we will also learn about numbers over 10 and review our shapes and colors.

We will continue to go outside whenever possible so remember to dress your child for the weather.

Thank you for all your support this year! I have been blessed with fantastic students and families! Let's have a great final month!

Please check the extra set of clothing in your child's backpack to make sure a complete change of clothes is still in there and that it is appropriate for the season.
